Arrival Nosy Be

Departure Nosy Be

Head of File : Guillaume

Detailed Itinerary**Day 1 Nosy Be**

Assistance airport and transfer to your hotel.

[Anki Lodge DBB](#)**Day 2 Nosy Be**

Hôtel base Half Board.. Activities can be advised by the hotel.

[Anki Lodge DBB](#)**Day 3 Nosy Be - Ambanja**

Pick up from your hotel in the morning, transfer to Nosy Be port then boat transfer to **Ankify**. Your driver will be waiting for you, road to **Ambanja**. Installation at the hotel near the plantations. (40 km stage - 1 hour by car, 1 hour by boat)

Arrival on site, **visit of cacaco plantation** : accompanied by a member of the team, you will go to the shade of the tall trees, discover the treasures of the plantation: cocoa trees, mango trees, banana trees, vanilla, pepper, guava trees, citrus fruits, rice, sugar cane... And we will explain the whole process of processing the cocoa bean. Accessible to all, 2 hours.

[TerraKoa DBBL](#)**Day 4 Ambanja**

Treck of the sacred mountain Ambohidravy (good physical condition necessary and allow 4 to 5 hours) Accompanied by a local guide, set off to climb the sacred mountain Ambohidravy. After visiting the village, you will cross the Sambirano Maty in a dugout canoe, then you will hike in the forest where you will definitely have the chance to encounter lemurs, and then at the top you can admire the view on the river, the sea and the islands. On the way back to the foot of the mountain, you can reach the lodge in dugout canoe if the tide permits. Lunch at the Lodge. In the afternoon, You will participate in **the preparation of an artisanal chocolate** by following the different stages of processing: sorting of the beans, roasting, crushing, sifting, conching and molding, followed by the tasting of course.

[TerraKoa DBB](#)**Day 5 Ambanja - Ambilobe (Ankarana)**

In the morning, road to the Ankarana National Park which is part of Madagascar's network of protected areas. In addition to its fauna rich in species endemic to the island, this reserve is of geological interest, due to karst erosion, as well as cultural. Installation at the hotel. (Step of 120 kms / 4 hours). In case of need for transshipment before entering the town of Ambilobe; it will be necessary to plan a longer timing therefore an earlier departure because the crossing from the Mahavavy bridge may take time (Tuk Tuk transfer, change of vehicle)

[Relais de l'Ankarana DBB](#)

Day 6 Ambilobe (Ankarana)

Transfer for the **Tsingy from Ankarana**. The **Ankarana National Park**, composed of a Karsingy massif, stretches 35 km long (from east to west). Covered by numerous canyons covered with forests, caves, and underground rivers, it is home to endemic flora and fauna. Discover the **Tsingy Rary**, the turrets of the tsingy. Lunch recommended at Aurélien. In the afternoon you can visit **the sacred cave** of bats which is home to splendid stalactites and stalagmites (provide one flashlight per person).

[Relais de l'Ankarana DBB](#)

Day 7 Ambilobe (Ankarana) - Ramena

From Ankarana to Diego, the road will deteriorate (a lot of broken tar); beautiful scenery will compensate for long road times. Departure for **the Tsingy Rouge**. (Visit of 1h30) Through the mountains, to the South East of Diego, the Red Tsingy reserve you other secrets of the nature. Composed of sandstone, marl and limestone, just at the foot of the eroded canyons, in the only sedimentary basin of Madagascar and a heterogeneous vegetation, their balance is fragile. Quiet walk, then continuation of the road until Diego Installation at the hotel. (*Direct Step 150km - 4h, add for the detour national road Tsingy Rouge 2 hours round trip*)

[Lakana Ramena DBB](#)

Day 8 Ramena

Departure for **the 3 bays** visit, which is the sequence of the bay of Sakalava, the bay of the pigeons and the bay of the dunes. It is possible to walk along the bays for 3 hours to discover the fauna and flora. It is a quiet and uncrowded place where the fine white sand beach is of natural beauty. Then, discover the cape mine with its lighthouse and its canons inherited from the colonial era. You will enjoy a breathtaking view of the entrance to the Bay of Diégo-Suarez. And if the weather is clear, you might even see the clear waters of the Emerald Sea. You will end the walk in Ramena. Before dark, enjoy the beauty of the sunset. At the end of your visit, you will return to your hotel.

[Lakana Ramena DBB](#)

Day 9 Ramena

Transfer to **Amber Mountain**. Created in 1958, the Montagne d'Ambre National Park is located in the heart of a volcanic region. Rightly regarded as a "biological treasure", it is home to a magnificent protected tropical forest, protected from all human impact, where a rich and complex nature flourishes. Browse the botanical trail and enjoy various forms of vegetation (canarium, ficus, orchids ... Meet different species of chameleons including the smallest of the world, the Brokesia Minima Tuberculata. Then also meet the lemurs (crowned, fulvus ...). for the region, discover different waterfalls such as the Antomboka Waterfall, the Sacred Waterfall, the Antakarana Waterfall or Lake Mahasarika. At the end of your visit, our team will take you to the village to admire Joffreville before taking the path to Joffre and coming back to Diego / Ramena (*50km stage - 1 h to 2 hours one way according trail and rain*)

[Lakana Ramena DBB](#)

Day 10 Ramena

Transfer to **Ramena** where the boat team awaits you. You will have an unforgettable day at the beach. La Mer d'Emeraude "**The Emerald Sea**" is an Emerald color Lagoon, located just after the little pass towards up the North. Shallow and transparent, it allows you to dive in a natural aquarium dream where fishes of all sizes, all shapes and colors seem it be given an appointment. Snorkeling Equipment is in our care (*need to have your sizes*). Picnic lunch prepared on the spot. Late in the afternoon, boat team bring you back to Ramena through the coral of a form of Tsingy to admire this beauty due to the battle of the Sea and limestone. Back to your hotel

[Lakana Ramena DBB](#)

Day 11 Ramena - Nosy Be

Early morning departure from **Diego to Ankify**. (*260 km, 7 hours drive*) Then boat transfer to Nosy Be. Ground transfer to your hotel. *In case of need for transshipment before entering the town of Ambilobe; You will need to plan an early morning departure because the crossing from the Mahavavy bridge may take time (Tuk Tuk transfer, change of vehicle)*

[Nosy Lodge DBB](#)

Day 12 Nosy Be

Excursion on boat to Nosy Tanikely and Nosy Komba. First stop in Nosy Komba (the island of lemurs), the second largest island after Nosy Be, with the visit of Lemurs Park and the fishers village and their traditional canoes. Around 11:30 am heading to Nosy Tanikely. Distribution of fins, mask and snorkel are available and free of charge. Nosy Tanikely is a protected nature reserve underwater. Just a mask and snorkel to dive into a real life-size aquarium where you can admire the wonderful spectacle of corals and anemones, myriads of colorful fish, shellfish, groupers, moray eels and sea turtles. Swimming, lunch on the beach, island tour till the lighthouse to discover the bats, lemurs perched in endemic trees, lizards, chameleons and butterflies will accompany you throughout your visit.

[Nosy Lodge DBB](#)

Day 13 Nosy Be

Iranja Excursion : You will board on a comfortable and secured speedboats for crossing for a half hour to **Nosy Iranja**. The guide then propose you before lunch, to discover the Iranja Be (big Iranja) lighthouse , the school and the village of fishermen or browse the sandbar to join Iranja Kely (small Iranja). Possibility to snorkel or enjoying the site for a rest on a paradise beach. Seafood lunch on Iranja Be in the shade of trees. It is also planned to stop, on the outward or return (depending on the tide) on a virgin Antsoa island next the Sugar Loaf, halfway between Nosy Be and Nosy Iranja.

[Nosy Lodge DBB](#)
